Turin, 8th of January 2008

**IAAD participates and report the exhibition:**

**TRAVELLING EXHIBITION PIEMONTE TORINO DESIGN – ISTANBUL EDITION**

After two years of an international and prestigious travelling that took the exhibition from the “Olympic” edition to China, Korea, Vietnam, Chile, Brazil, the exhibition will be shown at:

**Istanbul, Turkey, from 15th until 27th of January 2008**, Tophane-I Amire Binasi

The exhibition, that is a part of massive program of contacts between Regione Piemonte and Turkey (Italian Institute of Culture of Istanbul), will be open on 15th of January with the presence of the Councillor of the Regione Piemonte Gianni Oliva.

The inauguration of the exhibition will be matched with an international meeting on 16th of January organized in collaboration with Minar Sinan University.

The exhibition will follow its journey in the city of Bursa, where the event will be held from 5th until 17th of February , and at Wroclaw from 26th of February until 31st of March 2008.

We also remind that is possible to download all the documents and HD images of the previous editions of the exhibition in the Download area of the web site:
